

# UPDATE

[www.aalausd.com](http://www.aalausd.com)

Week of July 30, 2012

## DOE VS. DEASY DECISION

*AALA wishes to thank Attorney Jonathan Mott for preparing this summary.*

On July 24, 2012, **Judge Chalfant** signed the court's judgment and approved a writ of mandate requiring LAUSD to implement Stull Act compliant evaluations for teachers, principals, assistant principals and possibly other administrators during the 2012-13 school year. Pupil performance based on District and state standards will be required to be considered in the evaluation process but the specific performance measures, forms and ratings that will be used are still to be determined. The court set a deadline of December 4, 2012, for the District, AALA and UTLA to reach agreement. The court also ordered that the District, AALA and UTLA will use their "best efforts" to reach agreement. AALA is already in negotiations with LAUSD over the evaluation process for administrators, starting with principals, as well as, training and workload issues for evaluation of teachers. The court and LAUSD have recognized that, under the Education Employment Relations Act (EERA), evaluation is a subject for collective bargaining and any changes must be negotiated.

## BARGAINING BULLETIN: CERTIFICATED ADMINISTRATORS

Three negotiating sessions on evaluation have taken place so far, and four more are scheduled during the next few weeks. Discussions have been extremely general and conceptual in nature. With the resolution of the *Doe vs. Deasy* lawsuit (see article above), AALA's bargaining team looks forward to receiving a concrete proposal from the District. Our team is committed to bargaining in good faith and making our best efforts to reach a fair and equitable agreement. We expect our counterparts on the other side of the table to do the same. We will continue to keep you informed via *Update*.

## CLASSIFIED ADMINISTRATOR NEWS

Once the Board of Education approved the Unit J contract and classified members ratified it earlier this month, these classified participants automatically became agency fee members of AALA. They are now in the process of signing up for active membership, which provides numerous benefits beyond the due process representation afforded agency fee members. Active membership means they:

- Have voting privileges in all matters of business, may participate in electing officers for the Executive Board and may participate in membership surveys.
- May run for a position on the Executive Board.
- Have the opportunity to serve on the Representative Assembly.
- May serve as an AALA representative on District committees.
- May serve as a shop steward.
- Are automatically covered by an Accidental Death (\$4,000) group insurance policy free of charge.
- May take advantage of numerous discounts offered through the Atriba discount card network.
- May take advantage of the group voluntary insurance programs and group membership benefit programs.

Elections for the Unit J Vice President and two Directors will take place in August. These officers will represent classified AALA members on the Executive Board. Further details will be provided in the near future. For answers to questions about active membership or related matters, please contact **Gema Pivaral** in the AALA office at 213.484.2226 or [gpivaral@aala.us](mailto:gpivaral@aala.us).

## LOS ANGELES SCHOOL DEVELOPMENT INSTITUTE - LASDI

AALA wishes to thank **Michelle Bennett**, Co-Director of LASDI, for submitting this article.

LASDI began as an unusual coalition in response to an unusual challenge. The challenge was Public School Choice, a Board Initiative whose story began on August 25, 2009. This initiative presented a challenge without precedent, and called for a new kind of strategy that resulted in a lasting coalition between AALA and UTLA. The coalition consists of three Co-Directors: **Michelle Bennett**, a retired administrator representing AALA; **Jim Blackwood**, a retired teacher representing UTLA; and **Rachel Bonkovsky**, Executive Director of Intensive Support and Intervention. We work together to provide differentiated support to every school that is part of Public School Choice.

The mission of LASDI is to assist and support collaborative teams of teachers, principals, parents, community members, students and District leadership who are dedicated to examining their practice and organically reforming the culture and instructional delivery models at their school site. The belief is that it takes a collaborative team of administrators, teachers and other key stakeholders to build sustainable reform at schools.

How does LASDI connect all of this rhetoric to practice in the schools? LASDI offers personalized and differentiated services to school teams. The Co-Directors work directly with school leadership teams to identify needs as the schools collaboratively develop their vision and put it into practice. School teams are then matched with content experts or facilitators depending on their unique goals and needs. LASDI experts are retired administrators and teachers who specialize in a range of topics from curriculum, school culture, professional development, family and community engagement, school operations and special populations, to general coaching and facilitation. There are currently about 58 retired educators working through LASDI to provide support to PSC schools!

Over the past three years, the Public School Choice Initiative has identified almost 100 schools. These schools essentially have to reform themselves from the bottom up. The charge is anything but simple. In order to develop a new, innovative blueprint for instruction and operation, the school stakeholders have to become a united and collaborative team who agree upon the basic tenets of a 25-page reform proposal that focuses on student achievement and assessment, curriculum and instructional delivery, parent and community involvement and more. While this is clearly an opportunity for school stakeholders to dream their dreams, construct their visionary schoolhouse, build their school from the bottom up, it isn't easy to reach this kind of agreement. We visit every school that invites us, we listen, we guide and we assign consultants (retired administrators, teachers) to assist and support the work of the schools. We meet multiple times with school personnel if they request it. Our role is to provide the best support possible using the collective experience of our consultant group. As we meet with school teams, we each view the work through our own respective lens—that of a teacher or a principal.

While it began with a simple idea that working together is more powerful than working alone, it certainly grew into a coalition force that, we think, helps to empower our schools to write substantive reform plans and begin the process of implementing their visions. Please take a look at our website, [www.lasdi.net](http://www.lasdi.net), and view our video where current principals and teachers of PSC schools share their experiences working with LASDI.

## HEALTH BENEFITS FAQ

### **Topic: Summer Safety Precautions – Insect Bites and Repellents**

Insect bites are more than just annoying, itchy or painful; they may carry diseases, such as the West Nile virus (WNV), which can cause serious illness and even death. As of June 2012, the California Department of Public Health has detected West Nile virus in 15 counties. The threat in Los Angeles County consists of two WNV positive mosquito samples.

#### **What's the best protection from insect bites?**

The best protection is to minimize skin exposure by wearing light-colored long-sleeved clothing, long pants and socks and applying insect repellent to exposed skin.

The Centers for Disease Control (CDC) recommends products that contain:

- DEET (N,N-diethyl-m-toluamide)
- Picaridin (KBR 3023)
- **PMD or Oil of Lemon Eucalyptus** (para-Menthane-3,8-diol) which is the *synthesized* version of oil of lemon eucalyptus. Please note that “pure” oil of lemon eucalyptus (e.g., essential oil) has not been tested for safety and efficacy and is neither registered with the EPA as an insect repellent nor covered by the CDC recommendation.
- **IR3535** (3-[N-Butyl-N-acetyl]-aminopropionic acid, ethyl ester), found in AVON products

These products are registered with the Environmental Protection Agency (EPA) and provide repellent activity sufficient to help people avoid the bites of disease-carrying mosquitoes. The amount of protection varies with the amount of the active ingredient. According to the CDC, a product with 20% DEET offers about 4 hours of protection from mosquito bites, while 4.75% of DEET offers about 1.5 hours of protection.

#### **What guidelines does the CDC recommend for applying repellent on children?**

- Always read and follow the recommendations appearing on the product label.
- When using repellent on a child, apply it to your own hands and then rub them on your child. Do not use products with oil of eucalyptus on children younger than three years of age.
- Avoid children's eyes and mouth and use it sparingly around their ears.
- Do not apply repellent to children's hands, as children may tend to put their hands in their mouths or rub their eyes.
- Do not allow young children to apply insect repellent to themselves; have an adult do it for them.
- Keep repellents out of reach of children.
- Do not apply repellent under clothing. If repellent is applied to clothing, wash treated clothing before wearing again. Check the label for specific instructions.
- The American Academy of Pediatrics recommends applying products with the lowest dosage of DEET possible and only once a day for children over two months of age.

#### **What about combination repellents with sunscreen?**

The CDC does NOT recommend using a single product that combines both an insect repellent containing DEET and sunscreen, because the instructions for use of insect repellents and use of sunscreen are different. In most situations, insect repellent does not need to be reapplied as frequently as sunscreen. The recommendation is to apply sunscreen first, followed by repellent.

#### **How can I find out more about the safety of insect repellents?**

Those who are concerned about using repellents may wish to consult their health care provider for advice. The National Pesticide Information Center (NPIC) can also provide information at 800.858.7378 or [npic.orst.edu](http://npic.orst.edu).

## **A MESSAGE FROM THE CHIEF OF SCHOOL POLICE**

*AALA thanks LASPD Chief Steve Zipperman for contributing this article.*

On behalf of the men and women of the Los Angeles School Police Department (LASPD), I would like to welcome all the administrators and staff to the 2012-13 School Year (SY). This is an exciting time for all of us as we embark on the District's newly formed Educational Service Center (ESC) configuration. The LASPD is committed to providing each ESC and its administrators and staff with a seamless transition of police services. To that end, each of our police division commanding officers and supervisors will be visiting the ESC's to discuss mutual expectations and teamwork. LASPD has implemented a reorganization for the 2012-13 SY and the changes have focused on "getting back to campus policing" as a priority. It is our commitment to deliver the highest-quality service to stakeholders at all of our school sites and administrative offices.

As you know, there are approximately twenty-three new sites opening this SY, with at least fifteen of those as middle and high school sites. The LASPD will staff all of the new high schools and many of the new middle school sites. Site deployment is based on many factors such as crime statistics in the surrounding area, total student population and dynamics within the school, geography of school sites in relation to police travel/response times, availability of additional police units nearby and input from the Senior Deputy Superintendent of School Operations and the Assistant Superintendent of School Operations. Any questions regarding the police staffing at a school site can be referred to the Office of the Chief of Police or the Division Commanding Officer within the ESC. Please refer to LASPD's newly launched website at [www.LASPD.com](http://www.LASPD.com) for contact information and police division boundaries within each ESC.

### Renaming of Field Services Bureau to Campus Services Bureau

Make no mistake, our number one priority is safety and security to all of our schools throughout the District. As such, it is important to associate the name of our largest bureau of assigned personnel to the most important task: serving our campuses. To that end, effective July 29, 2012, all day watch Monday-Friday assignments that include campus Police Officers, campus School Safety Officers and all units that support the day school campus operations will now be under Campus Services Bureau. Police units assigned off-campus during these time periods will be referred to as "Campus Support and Safe Passages" Units rather than "Patrol" units.

### Sex Crimes Coordinator

Under Los Angeles School Police Department's Investigative Division, there is now a full-time detective assigned as the District/Department Sex Crimes Coordinator (SCC). This position was created to ensure facilitation, coordination and tracking of criminal and administrative investigations of an LAUSD employee-on-student sexual misconduct allegations. It is in compliance with the current District policy and California Penal Code statutes pertaining to "Mandated Reporter" requirements. Therefore, the Sex Crimes Coordinator will NOT conduct criminal investigations related to any sex crime or other alleged crimes associated with Suspected Child Abuse Reports (SCAR). The Sex Crimes Coordinator can be reached at [SexCrimesCoordinator@laspd.com](mailto:SexCrimesCoordinator@laspd.com). Currently, the LASPD SCC is **Detective Aaron Gray**. He can be reached at the above e-mail or 213.742.8020.

## **SOME RETIREMENT EXEMPTIONS EXTENDED FOR ONE YEAR!!!!**

Assembly Bill 178 (**Gorrel**) was signed by **Governor Brown** on July 17, 2012, and immediately enacted into law. As you may recall, several key exemptions affecting the earnings of CalSTRS retirees ended on June 30, 2012. This bill extended the exemption that allowed CalSTRS retirees who return to work after sitting out 12 months to earn more than the earnings cap currently in place. The bill also allows those retirees who work for a 3<sup>rd</sup> party that is providing services to a school to be exempt from the earnings limit. Retirees may also return to work as a trustee, administrator or fiscal adviser to address academic or financial weaknesses in a school district under certain conditions (through June 2013). In addition, this bill eliminates the provision that mandates that retirees who terminate their retirement and return to active status must work one full year before retiring again. The earnings limit for CalSTRS retirees who do not fall under one of the allowable exemptions is now \$40,011 through June 2013.

## **WE GET LETTERS**

*We thank **Dean Tagawa**, Principal of Glassell Park Elementary School, for allowing us to reprint his e-mail which was sent to **Dr. Judith Perez** on Tuesday, July 10, 2012, at 11:35 p.m.*

I just finished watching the news on Channels 11 and 2 about the teacher who got into a high-speed chase and then ran his truck off the road after police went to speak to him about sexual misconduct. He was being investigated for alleged sexual abuse when he was a teacher at Nimitz. While this was disconcerting, I was also concerned about the reporter's investigation when he stated that the Superintendent's Office was aware of some past allegations that apparently had been handled incorrectly. This brought several questions to mind:

- Handled incorrectly by whom?
- How was the reporter able to get this information so quickly?
- Was the new employee file search database used?
- Is this why it was created? For media purposes?
- Who is speaking from the Superintendent's Office?

I am worried that the employee file search was used because the chase was just this afternoon and there is no way that the media could make contact with all of the teacher's former schools in so few hours, especially when the schools are closed. Five schools were identified where he was previously employed and allegedly received other complaints. I feel that there is only one way to get such a condensed file about a district employee and that is through the file searches that current administrators were asked to do. In addition, the alleged statement from the Superintendent's Office that previous allegations were "handled incorrectly" sounds a lot like administrators did something wrong and we will soon find out who did not do their job.

You may get other e-mails regarding this latest report but I thought it was pertinent because it makes me wary of submitting something to the central office if there are ulterior motives for the information collected. Please feel free to contact me if you have any questions and feel free to forward this e-mail if needed.

## CONGRATULATIONS!!

AALA would like to extend congratulations to two members, **Maureen Diekman** and **Hilda Maldonado**, for their recent promotional assignments. Maureen will assume the position of Executive Director of the Early Childhood Education Division on August 1, 2012, and Hilda was named the Director of the Multilingual and Multicultural Education Division as of July 1, 2012.

## UPDATE ON PROPOSED TAX INITIATIVES

School Services of California, Inc., a business, financial, management and advocacy resource firm for educational agencies in California, recently published the results of a June 21 to July 2 *Field Poll* of 997 registered voters that shows support for **Governor Brown's** tax initiative to be 54% to 38%. This represents an increase from a *Field Poll* conducted in May. Support for the **Molly Munger** initiative is split evenly with 46% in favor and 46% opposed. Interestingly, the poll indicated that nearly one in three voters say they would be less likely to approve Governor Brown's initiative if the Legislature approves state funding for the High Speed Rail Project.

## WE WOULD LIKE TO HEAR FROM YOU!

AALA members are encouraged to submit letters or articles for possible inclusion in the *Update* about issues that are pertinent to their position. In the past we have asked for letters about your workload, surveys, morale, etc., and would like to expand that request to include any topics that you may feel impact your work environment. As you are aware, the *Update* is read by more than AALA members and we would like to provide a forum for you to share your thoughts. Letters or articles may be e-mailed to **Jeri Durham** at [jdurham@aala.us](mailto:jdurham@aala.us). Please indicate your name, school or office, position and if you wish your name published or to remain anonymous.

## INTERNS NEEDED

Board Member **Bennett Kayser** is immediately seeking youth and adult interns. Though unpaid, the positions allow for hands-on opportunities to directly impact public education in the community. Interested parties, regardless of college major or career path, may call or e-mail **Brandi Linton** today at 213.241.5555 or [brandi.linton@lausd.net](mailto:brandi.linton@lausd.net) for more information.

## FYI...

Individuals, businesses or organizations that wish to communicate with AALA members may do so by placing an ad/announcement in the *Update*. All ads/announcements must receive the approval of **Dr. Judith Perez**, AALA President, and be deemed appropriate for members. The price to run an ad is \$80 for one week; \$140 for two weeks; and \$180 for three weeks. Fees for ads are payable to Friends of AALA and help support our scholarship and awards programs.

## IN MEMORIAM

**Ina Roth**—Former Director, Student Testing Unit, principal of Wilson High School and principal and assistant principal at Welby Way Gifted Magnet. Ina retired on August 1, 2001, and passed away on July 20, 2012. Services were held on Monday July 23, 2012, at Temple Bat Yahm in Newport Beach, California.

## **POSITIONS AVAILABLE**

**Minimum Qualifications:** *Candidates are responsible for making sure all the District requirements have been met. Please do not contact AALA for information regarding positions; use the contact phone number provided in the announcement or go to [http://www.teachinla.com/admin\\_vacancies/](http://www.teachinla.com/admin_vacancies/) for more detailed requirements for positions and employment updates.*

### **CERTIFICATED POSITIONS**

#### ***PRINCIPAL, SECONDARY SMALL SCHOOLS***

**Los Angeles High School of the Arts at RFK (ISIC), MST 40G, Temporary Adviser, E Basis.** For information and application procedures call Human Resources at 213.241.6886. Filing deadline is Friday, August 3, 2012.

#### ***ASSISTANT PRINCIPAL, SECONDARY COUNSELING SERVICES***

**Los Angeles High School (ISIC), MST 40G, B Basis.** For information and application procedures call Human Resources at 213.241.6886. Filing deadline is 5:00 p.m., Friday, August 3, 2012.

**Maywood Academy High School (ESC South), MST 40G, B Basis.** For information and application procedures call Human Resources at 213.241.6886. Filing deadline is 5:00 p.m., Wednesday, August 8, 2012.

#### ***PRINCIPAL, ELEMENTARY***

**Aldama Elementary School (ESC East), MST 41G, E Basis.** For information and application procedures call Human Resources at 213.241.6886. Filing deadline is 5:00 p.m., Tuesday, August 7, 2012.

**Hillside Elementary School (ESC East), MST 40G, E Basis.** For information and application procedures call Human Resources at 213.241.6886. Filing deadline is 5:00 p.m., Tuesday, August 7, 2012.

#### ***COORDINATOR, PSYCHOLOGICAL SERVICES***

**Special Education Service Center, MST 40G, E Basis.** For information and application procedures call **Sharyn Howell** at 213.241.6701. Filing deadline is 5:00 p.m., Tuesday, August 7, 2012.

#### ***COORDINATOR***

**Division of Special Education (2 positions), MST 39G, Temporary Adviser, E Basis.** For information and application procedures call **Sharyn Howell** at 213.241.6701. Filing deadline is 5:00 p.m., Friday, August 3, 2012.

#### ***INSTRUCTIONAL SPECIALIST***

**Cortines Visual and Performing Arts High School (ISIC), MST 40G, Temporary Adviser, E Basis.** For information and application procedures call Human Resources at 213.241.6886. Filing deadline is Tuesday, August 7, 2012.

# Associated Administrators of Los Angeles

***INSTRUCTIONAL SPECIALIST (Cont.)***

**Carver Middle School (Partnership LA), \$75,502 - \$94,043, 221 days.** For information and application procedures visit [www.partnershipla.org/careers](http://www.partnershipla.org/careers) or call 213.201.2000, ext. 238. Position is open until filled.

**Santee Education Complex (Partnership LA), \$77,529 - \$96,223, 221 days.** For information and application procedures visit [www.partnershipla.org/careers](http://www.partnershipla.org/careers) or call 213.201.2000, ext. 238. Position is open until filled.

***SPECIALIST, MEDI-CAL REIMBURSEMENT AND COMPLIANCE PROGRAM***

**Student Health and Human Services, MST 38G, Temporary Adviser, B Basis.** For information and application procedures call **Sherry Purcell** at 213.241.0551. Filing deadline is 5:00 p.m., Monday, August 20, 2012.

***SPECIALIST, SPECIAL EDUCATION DATA MANAGEMENT AND REPORTING***

**Division of Special Education, MST 38G, Temporary Adviser, B Basis.** For information and application procedures call **Sharyn Howell**, Executive Director, at 213.241.6701. Filing deadline is 5:00 p.m., Friday, August 3, 2012.

***SPECIALIST, MEDI-CAL COMPLIANCE***

**Division of Special Education, Related Services Department (2 positions), MST 38G, Temporary Adviser, B Basis.** For information and application procedures call **Lisa Jordan**, Administrative Coordinator, at 213.241.6200. Filing deadline is 12:00 p.m., Tuesday, August 7, 2012.
