Week of February 23, 2015

SUPPORT AALA'S PAC-ENDORSED CANDIDATES

As the March 3 primary election rapidly approaches, we urge AALA members to exercise their right to vote. Pollsters are predicting that the voter turnout will be unusually low, even though there are critical positions that need to be filled. Four seats on the LAUSD Board of Education are open for election—Districts 1, 3, 5, 7—and several candidates are on the ballot. District 1 is the only race in which the incumbent is running unopposed, **Dr. George McKenna**. The other three races are hotly contested in an election that will virtually determine the future direction of the Board. Once the election has been held, the winners will join the other Board Members in selecting the next Superintendent, balancing the budget and making decisions about the iPad program, new testing procedures and teacher evaluations, all while facing declining student enrollment as charter school numbers increase.

In the contest for Board District 3, AALA has endorsed former teacher and principal **Scott Schmerelson** (www.Scott4lausd.com), who is running against the incumbent and four other challengers. Scott, who is also Executive Director of ACSA Region XVI and has been endorsed by CSEA, identifies three priorities should he win the election: class sizes, school bond funds and fair wages. Reducing class sizes is his top priority. He experienced the need for this first hand while teaching Spanish last fall at Cleveland High School. His classes had between 42 and 45 students, reducing his ability to interact with the students and even to move about the classroom. Scott has taken the position that school bond funds should be used as intended—for construction and infrastructure upgrades. He opposes the use of bond money for the iPad program, saying, “The money for these devices ... should never come from bond money. The appropriate funding would come from textbook money and since LAUSD is the largest district in the state, we need to go to Sacramento and get the law changed so we can use that money to purchase devices that hold textbooks.”

Current Board Member **Bennett Kayser** (www.Bennett2015.com) has received AALA’s support in his bid for reelection in District 5. This race has become particularly nasty, with the Charter School Association’s political action committee (PAC) distributing numerous flyers that attack not just Bennett’s politics, but his integrity, ethics and even his health. During his years on the Board of Education, Bennett, a former teacher, has been a dedicated, strong advocate for administrators and teachers and opposed to increasing the number of charter schools. He is often a thoughtful voice on the Board and has been a strong supporter of programs for immigrant children, children with disabilities and children of color. In addition to AALA, he has earned the support of all of the District’s major unions, including UTLA, SEIU and CSEA.

AALA endorses Board President **Dr. Richard Vladovic** (www.Vladovic4schoolboard.com) in his reelection bid in District 7. His priorities include *proper distribution of money to schools that need it most, a MiSiS system that works, a teacher evaluation system that’s fair and a better use of best practices districtwide*. Dr. Vladovic has spent his entire career in public education, beginning as a teacher and moving through the ranks

to principal and superintendent. He has received the endorsement of the *Los Angeles Times*, *Daily News*, *Daily Breeze*, numerous elected officials, including **Mayor Garcetti**, and the majority of the labor unions, except UTLA. **Dr. Vladovic** fought to end the year round calendar and supported the maintenance of health benefits for all employees.

THANK YOU, CHIEF DEPUTY SUPERINTENDENT MICHELLE KING

As you are aware, representatives from AALA meet with LAUSD senior staff on a regular basis. At a recent meeting, **Dr. Judith Perez** raised the issue of the numerous requests for information that were being received at school sites. We wish to thank Chief Deputy Superintendent **Michelle King** for her prompt response to our concern. The following email was sent to District leadership on Friday, February 13, 2015:

It has come to our attention that school sites are receiving requests for information outside of our 20-day policy notice stated in BUL-001.6 which indicates that when reports or other actions are due, at least twenty working days advance notice is required. This requirement may only be waived by the Superintendent of Schools or his designee. Please remind staff to review BUL-001.6 before sending information requests to ESCs or schools.

DO NOT CHARGE STUDENTS FEES

AALA thanks **Julie Hall-Panameno**, Director, for providing this information.

Reports from the Educational Equity Compliance Office indicate that there has been an increase in the number of complaints filed about charging students fees for school-related activities, equipment and supplies. As such, we are providing some excerpts directly from the California Education Code regarding this subject.

The California *Education Code (EC)*, as amended by Assembly Bill (AB) 1575 in 2012, provides that a pupil enrolled in a public school shall not be required to pay a pupil fee for participation in an educational activity. "Educational activity" is defined as an activity that constitutes an integral fundamental part of elementary and secondary education, including, but not limited to, curricular and extracurricular activities. "Pupil fee" is defined as a fee, deposit or charge imposed on pupils, or a pupil's parents or guardians, including but not limited to:

1. A fee charged to a pupil as a condition for registering for school or classes, or as a condition for participation in a class or an extracurricular activity, regardless of whether the class or activity is elective or compulsory, or is for credit.
2. A security deposit, or other payment, that a pupil is required to make to obtain a lock, locker, book, class apparatus, musical instrument, uniform or other materials or equipment.
3. A purchase that a pupil is required to make to obtain materials, supplies, equipment or uniforms associated with an educational activity.

All of the following apply to the prohibition on pupil fees described above:

1. All supplies, materials and equipment needed to participate in educational activities shall be provided to pupils free of charge.
2. A fee waiver policy shall not make a pupil fee permissible.
3. School districts and schools shall not establish a two-tier educational system by requiring a minimal educational standard and also offering a second, higher educational standard that pupils may only obtain

FEES (Cont.)

through payment of a fee or purchase of additional supplies that the school district or school does not provide.

4. A school district or school shall not offer course credit or privileges related to educational activities in exchange for money or donations of goods or services from a pupil or a pupil's parents or guardians, and a school district or school shall not remove course credit or privileges related to educational activities, or otherwise discriminate against a pupil, because the pupil's parents or guardians did not or will not provide money or donations of goods or services to the school district or school.

The Education Code does allow schools to charge fees for:

1. The direct cost of materials provided to a pupil for something he/she has made and will take home for his/her possession or use (such as wood, art or sewing projects).
2. Charges for safety glasses, for a pupil to keep, as long as the school provides them free of charge for use in specified courses or activities involving the use of hazardous substances likely to cause injury to the eyes.
3. Fees for sale or lease of Internet appliances or personal computers to parents for the purpose of providing access to the school district's educational computer network, at no more than cost, as long as the district provides network access for families who cannot afford it.
4. Fees for transportation to and from school and transportation between school and regional occupational centers, programs or classes (with some specific provisions).
5. Charges for food served to pupils, subject to free and reduced price meal program eligibility.
6. Payment for the replacement cost for district books, supplies or property loaned to a pupil that the pupil fails to return, or that are willfully cut, defaced or otherwise damaged, up to an amount not to exceed \$10,000.
7. Fees for field trips and excursions in connection with courses of instruction or school-related social, educational, cultural, athletic or school band activities as long as no pupil is prevented from making the field trip or excursion because of lack of sufficient funds.
8. Deposits for school band instruments, music, uniforms and other regalia for use on an excursion to a foreign country.

The items listed above are not exclusive, but examples of what is or is not allowed. If clarification is needed, please contact **Julie L. Hall-Panameno** at 213.241.7682 or julie.hall@lausd.net

BREAKING NEWS!

**UTLA AND LAUSD HAVE MUTUALLY AGREED
TO OFFICIALLY DECLARE AN IMPASSE IN NEGOTIATIONS.
PERB MUST NOW APPOINT A MEDIATOR.**

**ACTIVE AALA MEMBERS:
VOTING FOR 2015-18 OFFICERS IS OCCURRING
FRIDAY, FEBRUARY 20 THROUGH 11:45 P.M., THURSDAY, FEBRUARY 26.
BE SURE TO CAST YOUR BALLOT!**

HEALTH BENEFITS FAQ: FEBRUARY IS AMERICAN HEART MONTH

Why is there a national focus on the heart?

We celebrate Valentine’s Day in February, so what month could be more apt for focusing a crucial matter of the heart—high blood pressure? According to the Centers for Disease Control (CDC), the leading causes of death in the United States are heart disease and stroke. One in three American adults has high blood pressure, a significant risk factor for heart disease and stroke. One in four deaths each year results from heart disease and one in nineteen deaths from strokes.

What is the goal of American Heart Month?

The goal of this national initiative by *Million Hearts*® is to prevent one million heart attacks and strokes by the year 2017. This year’s focus is on Americans knowing their blood pressure and if it’s high, to make controlling it their goal. The initiative was first launched in 2011 by the U. S. Department of Health and Human Services.

What do the two numbers mean when my blood pressure is taken?

Your blood pressure is measured by using two sets of numbers. The first or top number represents your systolic blood pressure—the pressure in your arteries when your heart beats. The second or bottom number is your diastolic blood pressure—the pressure in your blood vessels when your heart rests between beats. The chart* below shows normal to high blood pressure numbers:

| Blood Pressure Levels | |
|--------------------------|--|
| Normal | Systolic: less than 120 mmHg Diastolic: less than 80 mmHg |
| (prehypertension)At risk | Systolic: 120–139 mmHg Diastolic: 80–89 mmHg |
| High | Systolic: 140 mmHg or higher Diastolic: 90 mmHg or higher |

*Chart from CDC

My blood pressure varies—it’s mostly normal, but sometimes I get a high reading. What does this mean?

According to the National Health Institute, your blood pressure doesn't stay the same all the time. It lowers when you sleep and goes up when you wake up. Additionally, when you’re nervous, excited or have a spurt of activity, your blood pressure also rises. However, if your numbers stay mostly above normal, you're at risk for health problems, with risk growing as blood pressure numbers rise. "Prehypertension" may lead to high blood pressure, unless you take steps to prevent it.

What do I do to control my blood pressure?

Here are steps you can take:

- Know your blood pressure numbers.
- If you have high blood pressure, set a goal with your doctor to lower your pressure.
- Take your blood pressure medication, as prescribed.
- Address risky behaviors by: stop smoking, managing cholesterol levels, losing weight, avoiding high sodium foods, eating more healthy foods (fruits/vegetables), exercising at least 30 minutes a day and asking your doctor about taking aspirin.

Where can I learn more about American Heart Month?

You can learn more at the Centers for Disease Control, <http://www.cdc.gov/features/heartmonth/>, and *Million Hearts*®, <http://millionhearts.hhs.gov/individuals.html>.

LAUSD SALARIES AND BENEFITS COMPARED TO OTHER DISTRICTS

ALA thanks *Gifty J. Beets*, Assistant Director of Labor Relations, for providing this information.

The Office of Labor Relations recently distributed the chart below to principals. It shows a comparison of salary and health benefits that are offered by other large school districts in California. The information is current as of February 10, 2015. It is interesting to see where LAUSD stands when compared with its fellow districts.

| Unified School District | Base Salary Increase (On Schedule) 2014-2015 ¹ | Active Employee Health Benefit Premiums Paid by District (Type of Coverage) ⁶ | Retiree Lifetime Health Benefits Paid by District (Type of Coverage) | Minimum Salary for Teachers 2013-2014 ² | Maximum Salary for Teachers 2013-2014 ³ | Adult Ed Programs | Early Ed Programs | 2013 API (Growth from 2012) ⁵ |
|---------------------------------|---|--|--|--|--|-------------------|-------------------|--|
| LAUSD | 5% Proposed Offer | Fully Paid (Employee & Dependents) | Fully Paid (Employee & Dependents) | \$ 45,637.00 | \$ 78,182.00 | Yes | Yes | 750 (+4) |

Congratulations to Granada Hills Charter High School's Academic Decathlon team for capturing the 2015 LAUSD Academic Decathlon title. The team, coached by **Matt Arnold** and **Jon Sturtevant**, scored 59,167 points, which included the school's ten-event score plus the Super Quiz Relay score. El Camino Real Charter High School, coached by **Stephanie Franklin**, finished second with a combined score of 58,223 points. Marshall High School, guided by **Larry Welsh**, was third in the competition with a combined score of 56,459. In the Super Quiz Relay, there was a tie for first place between Franklin High School, coached by **Sam Kullens**, and Granada Hills. Also, there was a tie for second between Marshall and El Camino Real. Third place was claimed by Garfield High School, coached by **Lucille Romero** and **Kevin Murchie**. **Irene Lee**, Granada Hills, was the top-scoring student in the competition with a score of 9,461 points out of a possible 10,000.

The California Academic Decathlon competition in Sacramento March 20 – 22 will be the next challenge for Granada Hills as well as ten other LAUSD teams. Also invited to compete at the state finals by virtue of their

DECATHLON (Cont.)

high scores in the LAUSD competition are El Camino Real Charter; Marshall; Franklin; Garfield; Bell, coached by **Heather Wilson** and **Matthew Moreno**; Hamilton, coached by **Thomas Metro-Zapata**; North Hollywood, coached by **Raul Barragan** and **Ethan Bradbury**; Van Nuys, coached by **Angel Abreu**; Grant, coached by **Karen Evens**; and Harbor Teacher Prep, coached by **Albert Lam** and **Alison Dragich**. Congratulations to the schools' administrative staffs for the outstanding performances of their teams.

The Most Improved team Districtwide this year was Manual Arts High School, coached by **Brandon Abraham**. Congratulations to **Dr. Robert Whitman**, Principal, for this fine accomplishment. Coach of the Year was **Kim Monson**, Narbonne High School, **Gerald Kobata**, Principal.

The Academic Decathlon is coordinated by **Cliff Ker**, Academic Events Coordinator, and presented by Beyond the Bell, **Alvaro Cortés**, Executive Director.

JOIN BENNETT KAYSER'S CAMPAIGN

Opportunities exist for AALA members to support **Bennett Kayser** in his campaign for reelection to the LAUSD Board of Education. Help is needed with a variety of tasks in various locations. You may participate in the phone banks, which are held Monday – Friday from 12:00 p.m. – 9:00 p.m.; Saturday from 10:00 a.m. – 8:00 p.m.; and Sunday from 12:00 p.m. – 8:00 p.m. Volunteers are also needed to walk the precincts on the following dates: Saturday, February 21 and 28 at 10:00 a.m. and Sunday, February 22 and March 1 at 12:00 p.m. Locations include Highland Park, Eagle Rock, Huntington Park, Bell and UTLA Headquarters. Please contact **Dan Nyaradi** at 541.480.4948 or dnyaradi@gmail.com for more information.

CODE OF ETHICS FOR EDUCATORS

A model code of ethics for educators has been developed by the National Association of State Directors of Teacher Education and Certification (NASDTEC). It has been posted on its website and is available for public comment through March 2. (Please click here: [NASDTEC Code of Ethics](#)) Once adopted, the code of ethics will be linked to educator preparation programs. Surprisingly, this is something that has been missing in public education, while almost every other profession has an agreed upon set of standards. States do regulate educator behavior through credentialing requirements, statutes, reprimands and sanctions, but NASDTEC felt that a code of ethics will instill a sense of personal responsibility by identifying professional values that are shared by peers.

In making a case to establish a code of ethics, a few of the findings in a recent research study conducted by the University of Phoenix were shared:

- Teachers rely on personal morality and life experiences to guide their decision-making.
- There is a collegial loyalty in not reporting perceived misconduct.
- Alliances often dictate the implicit norms that occur with the learning community.
- Knowledge of the rules explicit or implicit often occurs by transgressing the rules.

The NASDTEC Code of Ethics covers six domains. The organization's Board of Directors has said, "*Committed professionals who care about their ethical obligations will need to monitor not only their actions but also their belief system when it comes to any set of circumstances that may affect their students or the standing of the schools in the broader community.*" The anticipation is that educators will be held accountable, not by governmental authority, but by their colleagues.

**AAALA SCHOLARSHIP AND COMMUNITY AWARD
DEADLINE APPROACHING**

The deadline for graduating LAUSD students to submit scholarship applications and for AALA members to submit nomination forms for exemplary community volunteers is **Friday, February 27, 2015**. School-site administrators are asked to alert their students of the deadline so that they do not miss out on this excellent scholarship opportunity. Also, administrators are encouraged to submit their nomination forms for outstanding community volunteers. Forms are available on the AALA website, www.aala.us, under the *Friends of AALA* tab. Should you have questions about either program, contact **Gema Pivaral** in the AALA office at 213.484.2226 or gpivaral@aala.us. Both the scholarships and the community volunteer awards will be presented at the AALA Scholarship and Community Awards Banquet on Wednesday, May 20, 2015, at the Millennium Biltmore Hotel. We encourage you to calendar this date.

IN MEMORIAM

ROGER P. JOHNSON, JR.—Former coordinator in Staff Relations and Division of Special Education, director of instruction, Integration Unit consultant and principal of Clover Avenue Elementary School. After retiring from the District in July 1989, Roger served as a labor relations negotiator for the Associated Administrators of Los Angeles. He passed away on January 13, 2015. Messages may be sent to the family through the following link: [Roger Johnson Condolences](#).

HARRY B. SAUNDERS—Former Director of the School Building and Planning Division. Harry retired on June 30, 1978, and passed away on February 12, 2015. Condolences may be sent to his wife, **Mrs. Sharon Saunders**, at 470 Ebb Tide Dr., San Clemente, CA 92672-3641.
