## MISERY LOVES COMPANY

The Tuesday, May 22, 2019, Board of Education meeting encapsulated and shined the light on the angst and misery many AALA School Support Administrators have experienced and continue to experience year-after-year. However, this time the tables were turned on the District's very own senior leadership as most, if not all, of their contracts were renewed for ONLY one year. This is almost unheard of at the senior leadership level as typically contracts are offered for two to three years.

A lively debate ensued on the unfairness of offering senior leaders a one-year contract especially since they are “hard-working, dedicated, and loyal employees.” This is, of course, music to AALA's ears. For years, the association has demanded greater sensitivity, professionalism, and transparency for School Support Administrators. Interestingly, Board Members were apparently told the same thing about the executive contracts that we have heard for years: The District loses its **“FLEXIBILITY”** when it offers a position for more than one year. **“FLEXIBILITY”** is code for *you are an at will employee; do not ever forget it. If you even look at me the wrong way, you are a goner in the next fiscal year; and do not even think I need to evaluate you or conference you—you're finished I tell you, **FINISHED!***

The other apparent rationale offered went something like, “What if the person was not the right fit or if things just did not go right?” Then maybe, “We should not have selected that individual for the job, and should not be offering them a one-year contract,” was one retort from the dais. And to keep matters fair and balanced, how is it that the Board of Education has offered professionals off the street, with no license to even teach, much less be an administrator, three-year contracts with lots of perks time and time again?

Perhaps now that the shoe is on the other foot, these senior leaders offered only one-year contracts can empathize with our frontline managers, and advocate for themselves and us. For sure, misery loves company, and now we are truly in the “one-year contract boat together.” Moreover, this is an opportune time to commend the San Francisco Unified School District. It is interesting to note that not only have they achieved the passage of a parcel tax to better support their students, their school support administrators are offered three-year contract cycles:

***Third Year Administrator:*** Any administrator who has completed the first and second year must be appointed to a three-year contract if continuing in the same classification and division. Three-year contracts shall be renewed thereafter unless the unit member has, with proper notice, been reassigned to a nonadministrative position or has applied for and been selected for a new classification.

## **MISERY (Cont.)**

Furthermore, it appears their senior managers understand the importance of a seasoned administrative workforce with institutional memory as the contract for administrators goes on to say:

*In an effort to retain qualified administrators, any administrator who is in a three-year contract cycle, who is recommended and hired for a position of equal authority in the same or different division, may remain in their three (3) year school.*

San Francisco Unified School District's honoring frontline managers is *reimagining, back-to-basics,* and *simply elegant* for sure.

## **WOMEN ON THE MOVE**

Congratulations to four outstanding District administrators who are making headlines and receiving accolades for their work on behalf of the students of LAUSD: **Linda Del Cueto, Dr. Vivian Ekchian, Dr. Frances Gipson,** and **Hilda Maldonado.** We, at AALA, are especially proud as all of these phenomenal leaders have been erstwhile members of AALA as frontline managers and have risen through the ranks to their leadership positions.

Local District Northeast Superintendent **Linda Del Cueto** received the Steve Allen Champion of Education Award from the Valley Economic Alliance in recognition of her leadership and dedication as a career educator with Los Angeles Unified School District. Ms. Del Cueto has implemented new programs and established partnerships to expand the opportunities available for students. She is a product of LAUSD and began her career as a secondary English teacher, holding various administrative positions, including leading Staff Relations, before becoming Local District Northeast Superintendent.

We extend our congratulations to **Dr. Vivian Ekchian** on earning her doctorate degree from the University of Southern California and being named as Superintendent of Glendale Unified School District, making her the first female to lead that district. Dr. Ekchian, who is currently LAUSD Deputy Superintendent, will begin her new position on July 1, 2019. She also is a former teacher and member of AALA, having served in several capacities as an administrator and Local District Superintendent throughout her 30+ years in the District. While we wish her well and much success in her position, the staff and students of LAUSD will certainly miss her.

The Distinguished Alumni Award from the School of Educational Studies at Claremont Graduate University has been given to Chief Academic Officer **Dr. Frances Gipson.** Dr. Gipson has also risen through the ranks of LAUSD, beginning her career as an elementary teacher, becoming an administrator and AALA member, and moving into other leadership roles in the District. The

## **WOMEN (Cont.)**

Superintendent and Board Members expressed congratulations to Dr. Gipson as she received this award and praised her work to improve instruction for the students of LAUSD.

Congratulations to **Hilda Maldonado** who has been promoted to Associate Superintendent, Leadership Development and Partnerships, becoming the highest ranking Latina in the District. Ms. Maldonado was also previously an AALA member, serving on the frontline as an elementary assistant principal and principal, before becoming Executive Director of the Multilingual and Multicultural Education Department in the Division of Instruction. During her tenure there, the District achieved a record-high reclassification rate for its English learners. Ms. Maldonado then went on to become Senior Executive Director of Diversity, Learning, and Instruction before assuming her new role. We know Ms. Maldonado will bring the same passion and tenacity to this new position as she has shown in the past and wish her well.

## **HEALTHCARE FAQs— DEPENDENTS' HEALTH BENEFITS UPON DEATH OF INSURED**

Lifetime benefits for qualifying employees and retirees means that you will have District-provided healthcare your entire life. Your eligible dependents also will receive healthcare with some restrictions. Here are some important facts to remember:

- Your dependents will lose their coverage upon your death.
- Surviving dependents can receive continuation of coverage from the District at their own expense. You have 60 days to decide whether to continue or seek other insurance.
- Administrators have reporting responsibilities specified on Form E22, *Termination-Death Reporting Procedures*. Also included is an important checklist for employees to fill out for their surviving family members. For a copy of E22, click [HERE](#).

### **As a dependent covered on my spouse's medical, dental, and vision plans, what happens with the benefits I currently have?**

The District will stop paying health premiums the month following the death of a covered employee or retiree. Under the federal law, COBRA<sup>1</sup> employers must offer continuation coverage to surviving spouses and dependents at their own expense. Example: If death occurs on the 10<sup>th</sup> of the month, dependent coverage ends at the end of that month. If COBRA is elected, coverage begins the first day of the month following death.

### **For what length of time is COBRA coverage available?**

By paying monthly healthcare premiums, surviving spouses and dependents may continue coverage under COBRA for up to 18 months. When COBRA coverage ends, an additional 18 months of coverage is available through Cal-COBRA and AB528 for surviving spouses.

<sup>1</sup> Consolidated Omnibus Reconciliation Act (1985)

## FAQs (Cont.)

**If my spouse were to die, I think I'd prefer to keep my current health coverage, but I'm not sure. What do I need to do to begin exploring my options?**

- Notify Benefits Administration, 213.241.4262, within 60 days after your loss of eligibility. AALA urges survivors to notify the District as soon as possible to set the COBRA process into motion.
- Once notified, the District's COBRA administrator, WageWorks, will send you an enrollment packet. You'll need time to read and understand COBRA and your premium costs.
- You should also consider other health coverage options before making your decision. There may be more affordable coverage options for you and your family through Covered California, the health insurance marketplace, or AARP, if a retiree.

**What if I need a prescription or have a doctor's appointment before my enrollment is completed?**

If your enrollment is pending while being processed, you should let your doctor and/or pharmacy know you are enrolling in COBRA and either pay out of pocket and get reimbursed later, or request billing of services.

**For complete information about COBRA**, including 2019 premium rates for medical, dental, and vision plans, click [HERE](#).

Last week, we featured the LAUSD schools that were listed in *Top Los Angeles County Public Schools for Underserved Students 2019*, a report from Innovate Public Schools, in partnership with U.S.C. Price School of Public Policy and U.S.C. Rossier School of Education. We regret that two schools were left off of the list. Congratulations to Public Service Community at Diego Rivera Learning Complex (**Dennis Fulgoni**, Principal) and ArTES Magnet at Cesar Chavez Learning Academy (**Anne Maschler**, Principal) which were commended for closing the achievement gap in English and mathematics for Latino high school students.

## **MEASURE EE**

By now you have seen television ads and received literature about Measure EE, the parcel tax proposal on the ballot June 4 that will support LAUSD schools. **Mayor Eric Garcetti**, *Los Angeles Times*, the unions, and even presidential candidates **Senator Kamala Harris** and **Mayor Pete Buttigieg** have urged residents of the District to support it. This measure is very important to the fiscal picture of LAUSD, but it faces a high bar to obtain the required 66.6% vote to pass and very few districts, except the affluent ones, have passed parcel measures in L.A. County. Howard Jarvis Taxpayers Association and the Los Angeles Chamber of Commerce oppose it, saying that the measure is flawed and

## **MEASURE EE (Cont.)**

expensive. We at AALA know that Measure EE is needed for the District to remain solvent and that it will help LAUSD, its families, and students. It will lower class sizes, provide needed resources for local schools, and pay salaries to retain and attract quality teachers and support staff. In addition, Measure EE provides sustainable money for 12 years and gives LAUSD time to work on District priorities that have been underfunded due to Sacramento's negligence. Measure EE matters and a good public school system matters. Reach out and tell your neighbors, friends, and family to vote for EE on June 4 to fairly fund public education and benefit us all.

## **LOOC AUTONOMOUS SCHOOLS DOUBLEHEADER TUESDAY, JUNE 11, 2019**

Is your school interested in learning more about the three autonomous governance models available to district schools? Learn about the process for your school to become Expanded School-Based Management Model (ESBMM), Local Initiative School (LIS), and Pilot School. LOOC, with representatives from UTLA, AALA, and LAUSD, will walk you through the application process. Attending the workshops in no way compels you to submit an application, but attending these two sessions is the mandatory first step if your school plans to submit a plan for 2020-2021 implementation.

District employees may register via MyPLN by searching LOOC or using the link below:  
<https://lausd.csod.com/LMS/LoDetails/DetailsLo.aspx?loid=cea905a1-d54e-43fe-b5ad-e5c58e47d0f6&query=%3fq%3dLOOC+Autonomous+Schools+Double-Header#t=3>

Need more information or have questions? Contact **Maria Elena Rico-Aguilera**, Local Options Oversight Committee (LOOC) AALA Liaison, at 213.241.3077 or [mariaelena.rico@lausd.net](mailto:mariaelena.rico@lausd.net).

## **DO NOT KEEP THESE THINGS IN YOUR WALLET OR PURSE**

If you keep lots of personal and financial information in your wallet, be aware that if it is lost much of the contents can be used by identity thieves. Several financial sources online have identified some things that should never be kept in your wallet. Consumers are also advised to make a photocopy of the contents of wallets and keep it in a secure place. Do not keep the following in your wallet:

- **Social Security Card:** Losing it is a ticket to identity theft and make sure nothing else in your wallet has your SSN on it. Don't carry your Medicare card if it is the old one that includes your SSN.
- **Password Cheat Sheet:** Keep this locked up at home. One of the worst places for a password cheat sheet with your ATM card's PIN is in your wallet.
- **Spare Keys:** You don't want someone to find your wallet with your driver's license and address on it and then have the keys to access your home.

## WALLET (Cont.)

- Blank Checks: Only carry the number you think you may need each day. Leave the checkbook at home. In the wrong hands, a blank check could be used to quickly drain money from your bank account. Even if the stolen check isn't used, it has your bank account and routing numbers on it, a target for electronic withdrawals from your account.
- Passport: If in the wrong hands, it could be used to travel in your name, get a new copy of your Social Security card, or open bank accounts. When traveling abroad, experts advise, carry a photocopy of your passport and leave the original in a hotel safe.
- Multiple Credit Cards: Carry one rewards card for everyday purchases as well as a backup card for unplanned purchases or emergencies. Keep a list at home with all your credit card numbers and the telephone numbers to call if the cards are lost.
- Birth Certificate: If thieves have it in conjunction with other types of fraudulent IDs, security experts say they can do some major damage to your finances.
- Receipts: While businesses only print the last five digits of your credit card number on receipts, ID-theft experts say skilled thieves could use those last five digits and merchant information on receipts to phish for the remaining numbers on your credit card. Remove those receipts from your wallet daily and shred them.

## **KENNY HAYWOOD, SCHOLARSHIP RECIPIENT**

**Kenny Haywood** graduated from Los Angeles Center for Enriched Studies last June and received the Schools Federal Credit Union Honorary Scholarship at the annual AALA Scholarship Awards Banquet. He matriculated to UCLA and sent us the letter below to update us on how he is progressing in college.

*I am doing well at UCLA. I decided to major in business economics and have almost completed my first year. I also joined a Black Business Association and got a part-time job on campus to earn extra money and meet more students. So far, my experience has been very positive. My two roommates and I get along very well. I am keeping up with the fast-paced quarter system, and enjoy selecting my classes and professors. The AALA Scholarship money was truly a blessing because it reduced my tuition by more than 1/3 for the first quarter. Receiving the scholarship also motivated me to explore other resources and apply to other organizations for financial assistance. Because AALA believed in me so much, it gave me the confidence to do well in college and keep my grades up. Thank you again for your support.*

You can support the Friends of AALA scholarship fund by:

- Mailing a check payable to Friends of AALA to AALA, 1910 W. Sunset Blvd., Suite 850, Los Angeles, CA 90026;
- Calling **Gloria** in the AALA office, 213.484.2226, to pay by credit/debit card; or
- Visiting the AALA website, [www.aala.us](http://www.aala.us), and clicking on the Donate button to pay via PayPal.

## **KENNY HAYWOOD (Cont.)**

An option available to active members is to become an AALA Angel by signing up for an automated monthly payroll deduction of \$5 or more to support the Friends of AALA Scholarship Program. The tax-deductible \$5 pledge goes directly to the annual scholarships that are awarded to LAUSD graduates. As the amount of donations increase, so will the number of scholarships we can provide. Please click [HERE](#) to complete the necessary paperwork for payroll deduction so you, too, can become an AALA Angel.

You can also support Friends of AALA through AmazonSmile, a special Amazon program that donates 0.5% of eligible purchases to selected organizations. On your first visit to <https://smile.amazon.com> you will be asked to select a charitable organization. Please designate *Friends of AALA* and bookmark [AmazonSmile](#) so that every time you make an Amazon purchase, LAUSD students benefit.

## MEMORIAL DAY

Monday, May 27, 2019, is Memorial Day, originally called Decoration Day, a day to remember those who have died in service to the United States of America. The first Decoration Day was observed after the Civil War on May 30, 1868, and involved placing flowers on the graves of Union and Confederate soldiers at Arlington National Cemetery.

The first state to officially recognize the holiday was New York in 1873. By 1890, it was recognized by all of the northern states. The South refused to acknowledge the day, honoring their dead on separate days until after World War I (when the holiday changed from honoring just those who died fighting in the Civil War to honoring Americans who died fighting in any war). It is now observed in every state on the last Monday in May with the passing of the National Holiday Act of 1971. As this is a federal holiday, not only will schools and libraries be closed, most federal and state offices will be closed and there will be no mail deliveries on Memorial Day.

## in Curriculum & Instruction: **Trauma and Resilience** in Educational Settings

The MEd in Curriculum & Instruction: Trauma and Resilience in Educational Settings program is designed to examine what is becoming a central concern and focus for public schools—effective responses to student trauma and the resilience necessary to thrive and learn. This program provides support to in-service educators in becoming school, district, or community leaders with the understanding and use of trauma-informed and resilience-building practices for the students, school, and themselves.
