

SIDE LETTER BETWEEN  
THE LOS ANGELES UNIFIED SCHOOL DISTRICT (LAUSD)  
And CERTIFICATED ASSOCIATED ADMINISTRATORS OF LOS ANGELES (AALA)  
Return to Hybrid/In-Person Instruction for the Second Semester of the 2020-2021 School Year

The Los Angeles Unified School District and Associated Administrators of Los Angeles recognize that during the 2020-2021 school year, there is a need to create a hybrid mode of learning to help prevent the spread of COVID-19. It is understood by the parties that in our endeavors, flexibility for all will continue to be crucial. We will need to continue to model resilience, critical and creative thinking, and empathy to ensure that students continue to grow personally and academically. Therefore, the parties agree to the following non-precedent setting agreement:

1. Notification: The District shall make its best efforts to protect the health and safety of the Associated Administrators of Los Angeles by following the guidance of the Los Angeles County Department of Public Health. It is understood that in doing so, no employee identities will be revealed in accordance with State and federal privacy laws.

2. Cleaning and Disinfecting: The District will immediately close any affected areas until such areas are cleaned and disinfected consistent with District-approved products effective against COVID-19 and regulatory guidelines. The Office of Environmental Health and Safety will create a "Safety Alert" along with a set of Frequently Asked Questions on cleaning and disinfecting. Maintenance and Operations will provide the work order as proof of completion of necessary actions related to cleaning and disinfecting.

2.1 Supplies: The District will ensure all District facilities have the necessary supplies for preventative sanitation and safety in the warehouse. Appropriate signage shall be provided and installed by the District.

3. Training and Cooperation: The District will follow the Los Angeles County Department of Public Health guidelines regarding COVID-19 protocols on behalf of employees who are required to work on campus or other District locations. AALA and the District shall continue to cooperate with each other in any necessary public health actions. Copies of the guidance will be posted as required by law.

3.1 Training: To help prevent the spread of COVID-19, the District will provide employees with information on appropriate health and safety measures. Information shall be provided during employees' regular working hours.

4. Health and Safety at School Sites and Facilities:

4.1 Physical Distancing: Physical distancing shall be enforced at all District sites and facilities in accordance with the Los Angeles County Department of Public Health guidelines. The District will provide appropriate guidance and resources to ensure the responsibility of enforcement does not fall exclusively on the site administrator.

4.2 Face Coverings: The use of face coverings shall be enforced at all District facilities and in District vehicles in accordance with the Los Angeles County Department of Public Health guidelines. The District will provide immediate appropriate assistance and guidance administrators can enforce for non-compliance by students, staff, parents, guardians and visitors. The District will maintain an adequate supply of face masks to facilitate compliance.

4.3 Contact Tracing: Upon notification that an employee or student has a positive COVID-19 test result, the District will comply with all State and County reporting requirements and assist with contact tracing.

4.4 Communication: The District will provide AALA-represented employees with clear and timely communication regarding health and safety policies and procedures; all such communication shall be consistent throughout the District.

5. Salary: In accordance with District policies, AALA-represented employees shall receive their regular monthly salary during the term of this agreement.

6. Working Conditions:

6.1 AALA members are encouraged to report unsafe working conditions at their school or work site to the Complex Project Manager, the Director of Maintenance and Operations or the Chief Facilities Executive without fear of retaliation or retribution. Additionally, AALA Members may report maintenance needs through the LAUSD Service Calls App or through: <https://mo.laschools.org/applications/mo/workorder-request/>

6.2 The District will endeavor to avoid the scheduling of multiple meetings at the same time by maintaining a master calendar of meetings to minimize conflict. The District will encourage managers to utilize the calendar in scheduling. Where conflict remains, site administrators may seek guidance from their supervisor on which meetings to attend.

6.3 District meetings will be held online during the pandemic to the extent feasible.

6.4 In recognition of the extraordinary efforts of AALA-represented administrators in planning and implementing the Hybrid Instructional Model for students, the parties agree to provide a \$1,000 stipend for the preparation of school sites for the Hybrid Instructional model including but not limited to: ensuring the COVID-19 testing of staff or students, making modifications to the physical site to ensure social distancing standards, facilitating professional development for staff, students and the school community on school safety standards.

7. To assist in planning and organizing, should the District deploy extra classified personnel temporarily to their sites, AALA school site administrators will be informed in advance.

8. Parity: Following the signing of this agreement, should another bargaining unit negotiate compensation and/or benefits over and above what AALA has negotiated in this side letter, AALA-represented members shall be offered a re-opener. Negotiations may be re-opened after this agreement is signed should significant changes to working conditions occur that are related to the pandemic.

9. Duration of Agreement: This side letter is a temporary agreement to address the extraordinary circumstances created by the novel coronavirus (COVID-19) pandemic. It does not create any precedent nor establish the status quo for future bargaining purposes. This side letter shall go into effect on January 1, 2021 and will expire on June 30, 2021.

Date: November 13, 2020
